GOVERNMENT OF MYSORE

No. 115
Encl.

Department of Archæology,

Mysore, 19th June 1956.

From

The Director of Archæology,
Mysore.

To

The Secretary to the Government of Mysore,
Home, Forest and Agriculture Departments,
Atara Kacheri, Bangalore.1.

Sir,

Arch. 6-56-1

(1) It is proposed to carry out a survey and also excavation of a megalithic site near Jadigenahalli in the Hosakote taluk. This site was discovered by me some time ago and contains a large number of burial tombs. The megalithic burial tombs reveal, when excavated valuable information on the burial customs and the daily life of the people who lived in this sub-continent in a period ranging from 300 B.C. to 300 A.D. These tombs appear to have been erected by an "Iron age people". Government in their order No.E.3077-87/Archy.10-48-4 dated 23rd May 1950 have kindly issued instructions to the Revenue and other authorities to protect these megalithic monuments. In 1947 such megalithic burials were opened for the first time at Brahmagiri in the Chitaldrug District, in collaboration with the Department of Archaeology, Government of India.

(2) The proposed excavations at Jadigenahalli would greatly add and supplement our knowledge of the cultural history of Mysore 1600 to 1700 years ago.

(3) I solicit kind permission of Government to carry out the excavations of the megaliths at Jadigenahalli. The expenditure of Rs.800/- required in connection with such items as digging charges, purchase of implements and other contingencies, may kindly be sanctioned, the amount being met from the allotted budget grant of the Department under Contingencies for the year 1956-57.

(4) Since the work may probably occupy two to three weeks, I shall be grateful to you for permitting me and the other members of the staff of this Department to halt at the site during the period of excavations which exceeds ten days. Government in their

Order No.E.6036-37/Archy.3-46-14 dated 8th February 1947 and H.D
Order No.E.6422-23/Archy.3-47-10 dated 20th February 1948 have H.X

by the members of the Department/~~xxxxxxx~~ during the excavations both
at Brahmagiri and ~~at~~ Halebid in 1947 and 1948, in view of the
strenuous nature of the work.

(5) I should be grateful to you for kindly extending this facility also to the staff and the Officers during the proposed excavations at Jadigenahalli to be undertaken this year.

Yours faithfully,

M. Seshadri 19/6
